

BEHOLD OUR *living* SOIL

Healthy soil is teeming with life.

And that life provides nearly everything we need to survive. That's why USDA's Natural Resources Conservation Service is working with America's farmers and ranchers to keep it *healthy* and *functioning—for life*.

Call 1-888-LANDCARE to receive your soil health information kit and learn more at

www.nrcs.usda.gov

USDA is an equal opportunity provider and employer.
